## Missionaries

Helping Missionaries with conferences,  
Bible Institute material, and short-term furlough relief.

April 27, 2011

Dear Praying Friends,

Has anybody ever said to you "What you are planning to do will never work." Well, back in 1982 when the Lord laid it upon our hearts to begin a Bible Institute in our 1st. church in Manila, there were several who told us "it will never work." We proceeded anyway because the Lord told us to do it. That was back in 1982 and here is some of the fruit that has come from that beginning.

**Dr. & Mrs. Felicidad Felicilda**, Filipino medical missionaries in the Congo write: "On July, 2011, we will be holding our 1st. Commencement Exercises from the Bible School. We have a total of 13 graduates for the 1st. batch. We pray that our graduates will answer the call to spread the Good News of the Gospel to the different places in the Congo..."

Dr. Felicilda was given a copy of our Bible institute curriculum on DVD and studied the courses. Since that time he has planted a church and Bible Institute to train his people for the ministry. They have translated our curriculum into French which has been added to our DVD so those missionaries and nationals in the French speaking world can be trained for the ministry.

If you want to see more of their work, click on [www.bama4u.org](http://www.bama4u.org) then [Testimony from the Congo](#).

**Pastor & Mrs. Emmanuel Estipona** were saved in the first church we planted in Manila and both graduated from our first Bible Institute. Seven years later he followed me as pastor, then took a church in the province, then planted the Hebron Baptist Church in Cainta, East of Manila. They write: "We will be having our graduation at HBI this May. We have 3 ladies graduating. Our next batch would have 6 men graduating, three of them had said their desire to be a Pastor. Praise the Lord!" By God's grace they have graduates who have planted new churches there in the Philippines. They support many missionaries there and abroad through their Faith Promise missionary program.

Praying and supporting Friends, the above stories could have never happened if God's people did not **Pray, Give and Go**. The best investment that I know of is missions. Missions produce lasting fruit, it's eternal. How will this lost world ever hear about Calvary? Thank you for investing in our lives these many years. Our labor of love has not been in vain. God has produced fruit that is eternal.

In His service 'til He comes,

**"And the things that thou has heard of me among many witnesses, the same commit thou to faithful me, who shall be able to teach others also"**

2 Tim. 2:2
