

# BIMI MISSIONARY EMERITUS

Melvyn L. Brown

December 3, 2020

Dear Friends of the work of God,

It seems like most everybody is fearful of what is going on around us and around the world. Does it not say in 2 Tim. 3:1 "This know also, that in the last days perilous times shall come." To me, it seems like we are coming to the time when this prophecy is coming upon us. I do not want to be a bearer of bad news but the Bible is true and God has warned us what will happen before Jesus Christ returns in the air to rapture those who have put their faith in the Gospel of the Lord Jesus Christ. That being said, I am rapture ready, and I am busy trying to get as many people to go with me.

So, what is going on now in my life? Since I am pretty much home-bound, I am invited by pastors in the Philippines to preach to their people via Zoom. Those viewing who were in their churches, plus live streaming, as well as on Face Book and also on You Tube: could number in the hundreds, maybe even in the thousands. The marvels of our hi-tech world! I am thrilled about this!

In addition to the Zooming of my preaching: I have finished mailing every home in Clay, Alabama my DVD which includes 5 English, 2 Spanish and 2 Sign language soul winning videos. Now I have mailed 50 homes in the neighborhood of a good friend in LITCHFIELD PARK, AZ. In November I visited my eldest daughter, Pam, in North Carolina: she helped me mail to nearly 200 homes this DVD with a letter.

The letter that I am including with the DVD lets the receiver choose: 1. They can watch the DVD if they have a player. Or 2. Scan the QR code in the letter. Or 3. Watch the videos on my bama4u.org website Or 4. They can e-mail me and I will give them my phone number if they would like to talk to me. Please pray with me that the Holy Spirit will move in their hearts and get their attention regarding death and the here after. I have done all I can do, now the rest is in God's hands.

My friend, do you find it hard for you to go next door or visit all your neighbors on your street? Are you fearful about reaching people around you? Then mail me their street address, city, state and zip code and I will do the rest. This may be the only way those around you will hear the plan of salvation. You have the wherewithal to do this and I will help you make it happen. (Your name or address will not be used.)

**I am on my way to heaven, and I want to take as many people with me as I can. Jesus is coming!**

Thank you for your prayers and financial support. Merry Christmas and a Happy New Year.

Yours in Christ,

Mel Brown
