

Dear Praying and Concerned Friends,

We heard a sermon years ago on “Troutline Fishing” and have never forgotten it. The idea is to put as many “hooks” in the water as you can in order to catch the most fish.

Because we are fishers of men we have applied this thinking within our ministry since 1966 and have tried to put as many effective “hooks” into the water to lure men, women and children to the Gospel. Only God knows how many “fish” have taken our “hooks”.

Let me just mention a few of the many “hooks” we have dropped into the “waters” of our ministry. Tracts, preaching & teaching, cassette & VHS tapes, Bible correspondence, door to door and street evangelism, buses, church planting here and in the Philippines, Bible Institutes for our Nationals, a DVD with our Bible Institute curriculum that is being used in over 64 countries around the world, Bibles, Telephone ministry, Fair evangelism, medical and on and on we could go.

The Apostle Paul wrote: “Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ, for which I am also in bonds: That I may make it manifest, as I ought to speak.” (Colossians 4:3-4)

As we are committed to serve the Lord until He calls us home we pray that God will open doors where we are, so we can be effective for His honor and glory. The Lord gave us the idea for another “hook” that can be used to get the Gospel into the hands of people. **That is:** make up a DVD with a few good, proven soul-winning videos in English and Spanish and give them out like tracts. So we got permission from a few producers of Biblically sound videos and made up a DVD entitled “Future Outlook.”

We have shared this “hook” with others and they have caught the vision as well. One church in our city requested 500 English & 200 Spanish DVDs to be given out at their annual Thanksgiving dinner for the needy. A good friend of ours is in the Fair Ministry. He uses our DVDs in his evangelistic work every week. We have worked a couple apartment complexes near us recently. Our church in Manila caught the vision also.

In the last three months we have produced over 6,000 evangelistic DVDs that we and others have put into the hands of people and in homes. **Isa. 55:11 says**, “So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.” This is one way we can get out the Word.

This DVD is just one more “hook” put into “our lake” to catch lost souls for Christ. Please pray that God will bring forth fruit and supply the needs for this ministry for the glory of God.

Thank you for being a vital part in our lives. God bless you. Your missionaries.

In His service ‘til He comes,

Melvyn and Carol Brown
